THE YEARBOOK STAFF

of

CLIO HIGH SCHOOL

Clio, Michigan

Presents

THE MUSTANG

1959 — VOLUME 5

FROM THE EDITORS . . .

Mack and Mark Sutton

The '59 MUSTANG staff proudly presents - Yes, we do proudly present this year's MUSTANG. It represents many nights of hard work and fun enjoyed by the staff.

The year of '58 and '59 has lapsed into memories; now these are deeply impressed in our minds, but the dust of time will collect through the years and those memories will fade.

We trust our yearbook will help you to relive those memories, and to that aim we have completed it. We have attempted to capture as many phases of our school life as possible.

Sports, students, clubs, administration and the faculty are all here. We hope there is a little more, so that not just pictures and words, but the spirit of the Clio High School will be remembered too.

We sincerely hope that you will enjoy the MUSTANG more each time you reminisce through its pages.

THE EDITORS - Mack and Mark Sutton

DEDICATION . . .

Jack was born at a Flint Hospital on December 31, 1938. It was found a short time after birth that he was a victim of cerebral palsy. His parents are Mr. and Mrs. James Moore. They live at 102 Bluff Street in Clio.

Jack received physiotherapy treatments from one to three times every week at various medical centers through the first twelve years of his life. He has had major surgery to help improve his ability to walk.

He has been very active in Scouting. While in a cast he was given a private Court of Honor ceremony, having achieved the second highest ranking in the Boy Scouts. He has spent two summers at Pine Lake Boy Scout Camp as a counselor. He is a member of Explorer Scout Troup #101 in Clio and the Order of Arrow of Flint, and received the bronze statue in 1955 as being outstanding scout of the year in his troop.

He began managing work with the Clio athletic groups when he was in the seventh grade. His determination, enthusiasm and good spirit was always appreciated by the team.

Jack - it is truly an honor to dedicate the '59 MUSTANG to you.

PRINCIPAL'S MESSAGE

1787-1959

"Religion, knowledge and morality being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged." Northwest Ordinance--

How true in 1959 this statement applies to the lives of all of us. In our complex system of society an individual is duty bound to get as much education as possible. Education will help one in making the adjustment that is necessary for him to contribute to our present way of living.

It is the sincere desire of the Clio Area Schools that it has succeeded in aiding you in your life's work. The school hopes too that you will be a better citizen for having attended, and that you will prove an asset in the community in which you live.

JUNIOR HIGH

MR. ELLIS - Principal

PRINCIPAL'S MESSAGE

It is a real privilege for the Junior High School to be in the year-book, and for this we thank the yearbook staff. Being in the annual will afford our students a pictorial view of the many opportunities and interests that will be available to them in their high school careers. I am sure that all our students will benefit from this.

Junior High Secretary - MRS. LAND

Coach - MR. MOON

SENIOR

GARY WHITE

Gary White was born in Paragould, Arkansas, March 28, 1941. He now lives with his parents, Mr. and Mrs. Lester White, at 13278 Neff Road. He attended the Dort School and then the Clio Schools. His favorite subject has been History. White says he likes basketball because it exemplifies every major phase of athletic development, coordination, speed, fast reactions, endurance, and above all it requires that the player must be able to think. Gary has played football, and baseball during his high school career too. After graduation he plans on college and to follow the business administration field.

DAN THEMME

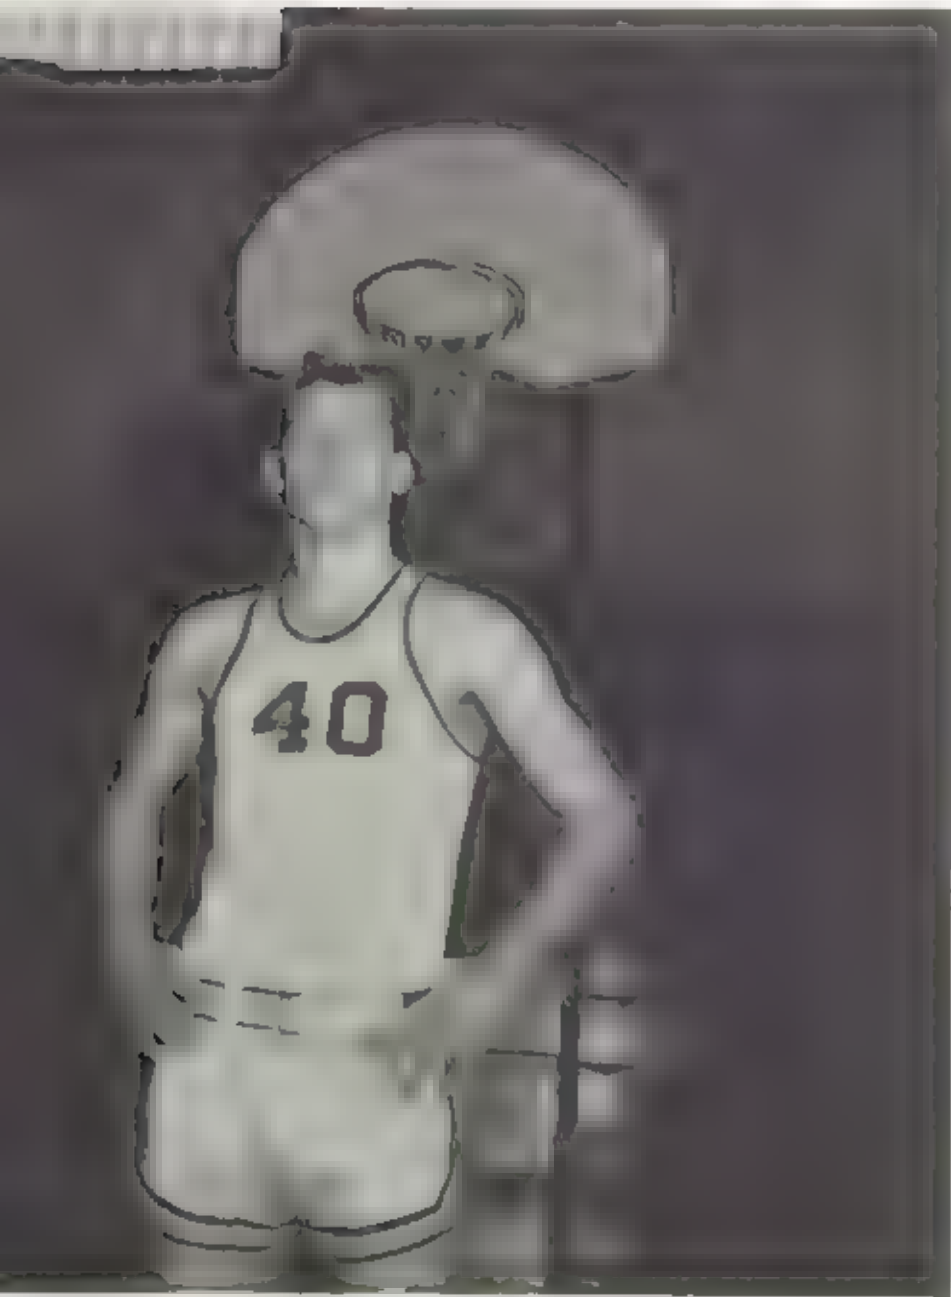

Ron Neahusan was born in Clio, September 2, 1939. He lives at 2358 Bingham Road with his parents, Mr. and Mrs. Paul Neahusan. He attended the Clio Schools, and his favorite courses were History and Shop. Ron likes basketball because he says you learn how to work with other people, but it takes much desire to play and be a good sportsman in the game. He was also very active in the track work, football and baseball. He is planning on going to Ferris this fall and is interested in Drafting.

Dan Themm was born near Marelett on May 2, 1941. He attended the Marelette and the Clio Schools, and lives with his parents Mr. and Mrs. Donald Themm. Math and the Science Classes were the classes that Dan listed as his favorites. He likes basketball and finds it a very interesting sport, calling for quick thinking and much desire. Besides this you learn good sportsmanship and the thrill of competition. Themm has also played in track and football. He would like to enter some business that has something to do with newspaper work.

CAGERS

Fred Muntin was born in Flint, February 12, 1941, attended the Clio Schools and lives with his parents Mr. and Mrs. John Muntin Jr. Fred likes the competition and the interest that it requires to play basketball. He considers the team work a great value too, and he has enjoyed football and baseball while in school. College will be his choice and he would like to go further in baseball.

RON NEAHUSAN

FRED MUNTIN

BUD MURDOCH

Bud Murdoch was born in Flint, December 27, 1940. He attended the Clio Schools and lives with his mother and brothers at 218 Campbell. Bud rates the competitiveness of the game most important. Also the chance of meeting other athletic interested persons while at the games. He has played baseball, track and football while in high school. College is his ambition, too.

Gary Finley, Sandra Brewer, Gordon Arnold, Kay Pennington

John Benthall, Kathy Edwards, Norman Stiles

Phyllis Clark, Jack Flint, Nancy Tereau, David Sabo

Lillian Taylor, Evelyn Storms, Bev. Cooper, Delores Morgan

ASSEMBLIES

DON LONIE - Mr. Lonie appeared for the second assembly at Clio in two years. An inspirational speaker, he challenged the theory of "Going along with the crowd." Again as in his previous appearances he scored a tremendous hit with the student body. He didn't pull any punches when talking about manners, health, honesty, study, or belief in God. He was a good speaker and delivered a terrific message.

B. MICHAEL SUMNER - Mr. Sumner is a young man who had just returned from a world cruise aboard the sailing ship "Yankee." The ship was under command of Captain Irving M. Johnson who with his amateur crew of young Americans, both men and women, visited such far off places as Panama Canal, Galapagos, Pitcairn, Tonga, New Guinea, Bali, Thailand, and Africa. The color films of the trip make the lecture very enjoyable to the audience as he showed his pulse-quickenning scenes.

ELIAS WARD - Mr. Ward, the world's largest animal trainer, brought our next assembly. The Yale University graduate supplies more animals to zoos and circuses than any other main source in the world. During World War II Mr. Ward was the only active wild animal importer due to exclusive contracts with government agencies. This was due to war research. Under the contracts he imported thirty thousand monkeys. His talks on animal life around the world did fascinate his audience.

STEPHEN A. HABOUSH - Portrayed the Shepherd Boy of Galilee. He shared his experiences with the group. He explained the customs and habits of the life of his people of the Holy Land. He appeared in authentic costume.

JOHN SCANLAN - He delighted our audience with his varied types of monodrama from many places. The entire production conveys the aura of the theatrical illusion. Within a simple framework the plays are set. He is an actor of the finest skill!

CHEMISTRY ASSEMBLY - It was a fascination to see the super cooling demonstrations. The quick freezing process, quite similar to liquid air, producing such startling effects as "instant ice," frozen rubber, and many more interesting experimental reactions.

Congratulations and Best Wishes to
